

IMO News Magazine

IMO News, the official magazine of the International Maritime Organization (IMO), is an essential part of the maritime press, keeping readers up to date with the activities of the organization, including international conferences, technical committees and important measures being discussed or adopted. Published quarterly in paper and digital formats, it has an extensive portfolio of qualified subscribers who make up its global maritime readership. Please click on the digital editions below which have the added value of links to documents and key pieces of information. You can subscribe to the digital edition [here](#)
